SUMMARY

IT student and former Bell field technician who likes tracking down the root cause of a problem and explaining the fix in plain language. For 2.5 years I diagnosed and repaired internet, phone and TV services in customers' homes (3 to 4 per day), and earned Merit Excellence GOLD recognition at Bell. I'm now completing the Computer Systems Technology advanced diploma at Durham College (graduating April 2027), working with Windows Server 2022, Active Directory, Group Policy, DNS/DHCP and Linux.

CORE SKILLS

Active Directory · Group Policy · Windows Server 2022 · DNS/DHCP · NTFS permissions · Troubleshooting · Customer support · Linux basics

EXPERIENCE

Field Service Technician, Bell Technical Solutions, Oshawa, ON — Jun 2023 - Oct 2025

- Diagnosed and resolved internet, home phone and TV service faults at customer homes, about 3 to 4 service calls per day.
- Installed, configured and tested modems, phone systems and TV boxes, checking signal and transmission quality before closing each job.
- Located and repaired faults in aerial and underground telecommunication lines, including copper and fibre-optic splicing.
- Explained technical issues and planned work in plain language to non-technical customers.
- Documented completed work and coordinated with dispatch to close work orders accurately and on time.
- Earned Merit Excellence GOLD recognition (Q4 2023 and Q1 2025) for performing above most technicians in the region.

Manager in Training, Five Guys Enterprises, Oshawa, ON — Apr 2023 - Jun 2023

- Promoted to Manager in Training within one month of joining.
- Ran shift operations, including managing the team, handling orders and complaints, and keeping food safety and sanitation standards.

Shift Manager, Popeyes Louisiana Kitchen, Oshawa, ON — Aug 2021 - May 2023

- Supervised 4 to 6 employees per shift, covering sales, inventory counts and cash reconciliation.
- Trained and coached staff to meet company and brand standards; completed Shift Manager Training.
- Resolved customer and operational incidents quickly; handled daily cash and coordinated vendor orders.

In-Store Service Agent, Geek Squad, Best Buy, Whitby, ON — Oct 2021 - Dec 2021

- Diagnosed and repaired software and hardware faults on customer computers and devices.
- Set up new computers, including Windows installs and reloads, and explained repair options and services.
